

# XWEB EVO PHASEOUT

Phaseout of 10 DIN and RACK models

PN09/20 July

Dear Customer,

from February 2021, XWEB300D/500D/3000/5000 models will be no longer available, and they will be replaced with the new XWEB PRO family. XWEB500 EVO model (used as desk instrument with integrated display) is still available.

Our Sales Department is at your disposal to plan the best solution to move toward new models depending on your needs, and our Customer Service will reply to your questions concerning XWEB EVO vs XWEB PRO families.
