

UKCA marking on Dixell S.r.l. products

Lumity™ products, made by Dixell S.r.l., comply soon with the UKCA marking regulation

**UK
CA**

Emerson is pleased to announce that during next weeks will be introduced the UKCA (UK Conformity Assessed) marking on all Lumity™ products made by Dixell S.r.l. This process is required for all products being placed on the UK market (England, Wales and Scotland).

In compliance with this directive, the update process will be completed by the end of this year and all product range will be marked UKCA from the 1st of January 2023.

Please contact our Sales dpt. for further information.
